Please read before continuing:

This form is an unofficial guide for students who plan to transfer to the **SFSOR Imaging Technology Program** at **Resurrection University** and is not intended as a contract. Transfer requirements are subject to change without notice. Prospective students are expected to contact a ResU Admissions Counselor regarding any updates. **The student is responsible for verification of all transfer information.**

Please review the ResU Catalog for additional admission information:

<http://www.resu.edu/why-ru/faq>

For an in-depth review of your prerequisite course-work please email copies of ALL your transcripts to transcripts@resu.edu. To learn more about the BSIT program and to have your transcripts evaluated, please go to www.resu.edu and Inquire Now!

Transfer Guidelines:

- 1) Grades of 2.0 or above on a 4.0 scale completed at regionally accredited colleges or universities are transferrable. Courses must be considered college level and have been used to fulfill graduation requirements and degree requirements at the previous college or university.
- 2) Remedial/pre-college level courses, audit, credit, proficiency scores are not transferrable.
- 3) No courses with final grades below 2.0 on a 4.0 scale may be transferred.
- 4) Curriculum GPA must be 2.0 or higher on a 4.0 scale.
- 5) **Important Note Course Expiration Dates:** †**Anatomy and Physiology and the General Education Mathematics coursework for the BSIT program** must have been completed no more than five years prior to the intended start date. For example, a student entering the program in 2016 must have completed the required courses during 2011 school year or later.

Updated 9/2016 | List of courses for Math, Humanities & Social Science transfer are based on approved IAI courses, and not an exhaustive list of acceptable course work.

RESURRECTION UNIVERSITY

COLLEGE OF NURSING & COLLEGE OF ALLIED HEALTH

Radiology: Bachelors of Science Imaging Technology
