**Graduation Rates.** Fall enrollment numbers represent the total number of students *enrolled* within the health information management baccalaureate program during the fall semester of each year. The retention rate represents the number of students who were first enrolled in the fall enrollment period and who continued enrollment in the fall of the following year. Graduation rate indicates the number of students who complete the program and all graduation requirements within the anticipated length of time as described in the Academic Catalog for that year.

Year	Fall Enrollment	Certificate only	Retention Rate	Graduation Rate
2012	14	1		
2013	22	2	86%	93%
2014	14	5	83%	86%
2015	14	3	75%	86%
2016	13	2	100%	100%
2017	20	0	78%	55%
2018	8	0	in progress	in progress

**Credentialing examination pass rate** is defined as the number of student graduates who pass, on first attempt, the Registered Health Information Administrator (RHIA) certification examination from the American Health Information Management Association (AHIMA) of the graduates who take the examination within one year of graduation.
