

What is the admissions criteria I need to get into the program?

To be competitive, students need an overall GPA of a 3.0 or higher and a nursing GPA of 3.0 or higher.

What should I do if I do not meet all the criteria?

Students that believe they do not meet all of the criteria should reach out to their admissions counselor to go over options.

The program is hybrid. What does that mean?

The program is hybrid in nature meaning that students will be required to come to campus one day per week for lecture. There is also an online component to each course.

*Please note, some courses may be 100% online. In fact, your 1st year is typically 100% online.

Do I need a Bachelors in Nursing to apply?

Yes. The MSN programs at Resurrection University require a completed BSN degree from a regionally accredited school.

Will I be able to sit for a licensing exam after the program?

The MSN Nurse Practitioner programs are designed to prepare students to sit for the advanced licensing exams.

What do I need to submit to apply?

You will need to complete your application form on your MyResU page. If you do not have a MyResU page yet, please create one by filling out the inquiry form here: <http://my.resu.edu/inquiryform>.

Once your application for admission is on file, you will need to submit all supplemental documents to complete your file. The documents include official transcripts from each college/university that you have attended, a resume, and an active Illinois RN License.

How do I get my application reviewed for admittance and how long does it take to receive a decision?

Once the application process is completed, you will receive an admissions decision within 2-4 weeks.
